

Principles of Math 11

Mrs. S. Bidal

sabrina_bidal@sd34.bc.ca

Welcome to Principles of Mathematics 11. If you need to reach me, please email me at

sabrina_bidal@sd34.bc.ca. (Email is most appropriate since phone calls are not accepted during teaching hours.)

Course Description:

We will be covering the following units in Math 11:

Polynomials, Equations/Inequalities, the Parabola, Systems of Equations, Trigonometry, and Circle Geometry.

Class Expectations

Math 11 is a fast paced course with a great deal of content. To ensure success in this course, you must come prepared to class each and every day and be prepared to concentrate and do the daily practice questions.

Practice questions should be completed every day.

Required Student Supplies

Pencil, notebook, Calculator (**Graphing Calculator is recommended: TI83, TI84, TI 83+ etc, but a regular scientific calculator will be adequate.)

Absences

It is the student's responsibility to obtain work missed. Failure to come in to write a missed quiz before I hand them back will result in a zero for the quiz.

Availability for Extra Help

Students experiencing difficulty with the course should come in and see me. I am available Tues&Thurs. from 2:30-3:15pm as well as most lunch periods from 11:20-11:35.

Course Evaluation

Unit tests	75%	Term 1	35%
Quizzes	15%	Term 2	35%
Homework	10%	Provincial exam	30%

Tracking Student Progress

I use www.checkmyrank.com where students and parents can track progress. Please access the website using the Student Number and Password I will be sending home. If you don't know the student number or password, please email me.

Cellphones and MP3's:

These items are NOT PERMITTED in my classroom and will be confiscated if they are seen. It is best to keep them turned off and keep them out of sight. Repeated problems with these items will require a meeting with an administrator.
