## Course Description:

Graduation Transitions 12 is a Ministry mandated course intended to prepare students for a successful transition to life after secondary school. Students are responsible for planning and preparing their education, career, life goals through Graduation Transitions 12.

## Class Expectations

Graduation Transitions 12 students meet every Tuesday and Thursday in their timetabled block. Attendance is mandatory and will be recorded. Once the student has completed his/her Graduation Transitions Workbook, they must make an appointment with Mr. Radons for the Transitions Interview. At this interview, the student will discuss their Transition plan to life after secondary school. After the interview is completed, the student will receive a 'Pass' for the course and is no longer required to attend the Tuesday and Thursday sessions. They must use these days as a Study session in the school library or cafeteria.

*Required Student Supplies:* Writing tools, school-provided Graduation Transitions workbook

## Absences

It is the student's responsibility to attend their Graduation Transitions block every Tuesday and Thursday until they complete the workbook and complete a successful Final Interview with the instructor. If a student is going to miss a class for an excused purpose he/she must make arrangements to receive missed materials and/or information.
